

CONDIZIONI GENERALI DI VENDITA

DECORRENZA

Il presente listino sostituisce ed annulla tutti i precedenti.

Non costituisce offerta e può essere modificato, con comunicazione scritta della LUBE INDUSTRIES s.r.l. al Cliente, in qualsiasi momento anche senza preavviso. Le modificazioni o gli aggiornamenti avranno efficacia rispetto a tutti gli ordinativi pervenuti o trasmessi alla LUBE INDUSTRIES s.r.l. dopo la comunicazione scritta di cui sopra.

PREZZI DI LISTINO E CONDIZIONI DI PAGAMENTO

I prezzi sono quotati al pubblico I.V.A. e contributo RAEE esclusi e si intendono franco fabbrica.

Decorso il termine contrattuale di pagamento la LUBE INDUSTRIES s.r.l. è autorizzata alla emissione di tratte a saldo di ogni suo avere maggiorate degli interessi, spese e di ogni altro onere accessorio, previa comunicazione al Cliente. In caso di pagamento oltre i termini contrattuali, saranno addebitati gli interessi ai sensi del D.lgs. 231/2002, oltre al recupero di eventuali sconti espressamente concessi in ragione del termine di pagamento.

In caso di mancato pagamento nei tempi contrattuali la LUBE INDUSTRIES s.r.l. potrà sospendere l'evasione degli ordini in corso previa comunicazione al Cliente.

CONSEGNA

I termini di consegna vengono computati in giorni lavorativi con decorrenza dal perfezionamento del contratto di vendita, che comunque si intende perfezionato entro 8 giorni dall'invio dell'ordine o comunque entro 8 giorni dall'ultimo chiarimento (se richiesto) fornito dal Cliente. I termini di consegna saranno prorogati automaticamente in dipendenza di avvenimenti non imputabili alla LUBE INDUSTRIES s.r.l. o a cause di forza maggiore. Sono sempre ammesse consegne parziali.

PRODOTTO

I dati tecnici relativi ai prodotti illustrati nel presente listino sono puramente indicativi. La LUBE INDUSTRIES s.r.l. si riserva la facoltà di apportare tutte le modifiche tecnico-costruttive migliorative del prodotto, senza obbligo di preavviso. Ciò vale anche per gli elettrodomestici o altri accessori impiegati a corredo delle cucine; questi potranno risultare esteticamente leggermente difformi in base alle marche utilizzate diverse da quelle da catalogo, salvo la sostanziale conformità delle caratteristiche e delle funzioni. Il Cliente potrà richiedere elementi specifici indicandone la marca sempre nell'ambito del ventaglio di offerte della LUBE INDUSTRIES s.r.l..

CONSISTENZA FINITURE

Le finiture potrebbero subire nel tempo modificazioni di colore dovute all'esposizione alla luce, al calore, ai vapori e all'invecchiamento. È, pertanto, naturale che in caso di successivi completamenti, si potranno avere delle differenze di tonalità che comunque dovrebbero tendere ad attenuarsi nel tempo. Per i piani in marmo e granito, considerando che il taglio proviene da BLOCCHI NATURALI, non possiamo garantire l'uniformità del colore e della grana. Questi fattori non potranno costituire motivo di contestazione o di resa del prodotto.

TRASPORTO

La merce non viaggia mai con mezzi della LUBE INDUSTRIES s.r.l. e, di conseguenza, nel momento in cui questa viene affidata al vettore, a prescindere da chi lo abbia incaricato, o caricata nel mezzo del cliente tutti i rischi passano al cliente stesso. Il Cliente, anche tramite suoi incaricati, ha l'obbligo di controllare l'integrità della merce all'arrivo ed, eventualmente, fare le dovute contestazioni scritte al Vettore. Qualora il danno rende inutilizzabile la merce è opportuno non ritirarla dandone conto nel Documento di Trasporto, diversamente con l'apposizione della firma da parte del Cliente, senza alcuna contestazione e/o rilievo si attesta la perfetta integrità e conformità della merce.

INSTALLAZIONE E IMPIEGO

La LUBE INDUSTRIES s.r.l. declina ogni responsabilità per l'errata o impropria installazione del prodotto fornito, siano essi di sua fabbricazione o di terzi, sempre che non provveda essa stessa alle predette operazioni.

La LUBE INDUSTRIES s.r.l. si ritiene esonerata da qualsiasi responsabilità circa il funzionamento degli elettrodomestici e degli accessori fabbricati da terzi costruttori, per i quali venga fornito dal predetto fabbricante lo specifico libretto di uso e manutenzione; nel libretto si troverà indicato l'eventuale Ufficio Reclami o i Centri di Assistenza del terzo fabbricante.

Per l'impropria e/o inadeguata manutenzione, nonché per l'improprio e/o inadeguato utilizzo dei prodotti venduti, la LUBE INDUSTRIES s.r.l. rinvia ogni e qualsiasi responsabilità e/o onere al Cliente o all'Utilizzatore.

RECLAMI ED AZIONI

I vizi e i difetti devono essere denunciati alla LUBE INDUSTRIES s.r.l. nei termini di legge. Anche nel caso di contestazione i pagamenti non potranno essere sospesi.

La merce rimarrà di proprietà della LUBE INDUSTRIES s.r.l. sino al pagamento totale da parte del committente.

GARANZIA

La garanzia sui prodotti venduti opererà per il tempo che, di volta in volta, le leggi vigenti nel Paese del Cliente stabiliranno come minimo a favore dell'acquirente.

RESTITUZIONE DI MERCE

La restituzione delle merci vendute si accetta solo se espressamente autorizzata dalla LUBE INDUSTRIES s.r.l.. Verranno concordate modalità di reintegro e di accredito, solo qualora la restituzione sia dovuta a fatti imputabili alla LUBE INDUSTRIES s.r.l.. La merce restituita dovrà essere consegnata in perfette condizioni e adeguatamente imballata.

SPESE

Per i pagamenti a mezzo tratte o ricevute bancarie verranno addebitati tutti gli oneri accessori alla riscossione.

CONTROVERSIE

Per ogni controversia il Foro competente sarà esclusivamente quello di Macerata.

EFFICACIA

Il Cliente, con il solo fatto di conferire l'ordinativo, si dichiara edotto ed accetta tutte le condizioni di vendita che precedono, salvo espresso patto contrario.

GENERAL SALES CONDITIONS

VALIDITY

This price list replaces and annuls all previous versions.

It does not constitute an offer and may be subject to change following a written notification by LUBE INDUSTRIES s.r.l. to the Customer, at any time and without prior notice. Any modifications or updates shall apply to all orders received by or transmitted to LUBE INDUSTRIES s.r.l. following the above-mentioned written notification.

RETAIL PRICES AND PAYMENT TERMS

The retail prices quoted are exclusive of VAT and the WEEE fee and are ex works.

Upon expiry of the agreed payment term, LUBE INDUSTRIES s.r.l. shall be authorised to issue bills of exchange for any outstanding amounts on every item, plus interest, expenses and any other additional liability, prior notification to the Customer. In the event of payment after the agreed term, accrued interest shall be charged in compliance with Italian Legislative Decree no. 231/2002, while any discounts expressly granted in relation to the payment terms shall be recovered.

If payment is not received within the agreed terms, LUBE INDUSTRIES s.r.l. shall be entitled to suspend fulfilment of current orders, prior notification to the Customer.

DELIVERY

The delivery term is calculated in working days and takes effect from the date on which the sales contract is stipulated. In any case, the contract is considered effective within 8 days from order transmission or, at all events, within 8 days from the most recent clarification (if requested) provided by the Customer. The delivery term shall be automatically extended should any events occur that are not imputable to LUBE INDUSTRIES s.r.l. or that are due to force majeure. Partial deliveries can always be effected.

THE PRODUCT

Any technical data relative to the products illustrated in this price list is purely indicative. LUBE INDUSTRIES s.r.l. reserves the right to effect any necessary technical-construction changes to improve the product, without prior notification. This right extends to household appliances or other kitchen furniture accessories; the appearance of the latter may slightly differ depending on the brand used (which may be different to that shown in the catalogue), without prejudice to the basic conformity of features and functions. The Customer may request specific elements by indicating the relative brand, provided these are included in the range of solutions offered by LUBE INDUSTRIES s.r.l..

CONSISTENCY OF THE FINISHES

The finishes may be subject to slight changes in colour over time as a result of exposure to light, heat, vapours and ageing. Therefore, in the event of completion orders, there may be shade differences that will tend to diminish over time. Regarding marble and granite worktops, we cannot guarantee uniformity of colour and vein pattern as the worktops are cut from NATURAL BLOCKS. These factors may not provide grounds for claims or return of products.

TRANSPORT

The goods never travel on vehicles owned by LUBE INDUSTRIES s.r.l.; therefore, from the moment the goods are handed over to the forwarder and regardless of who entrusted the latter with the transport or loaded the goods into the customer's vehicle, all risks are transferred to the customer. The Customer - also through persons delegated by the latter - is obliged to check the integrity of the goods upon their arrival, and to notify written claims to the Forwarder. The Customer should not accept any damaged goods that are unsuitable for their intended use, and should notify the relevant claim on the transport document; otherwise, by signing the transport document without adding any claims and/or observations, the Customer certifies the integrity and conformity of the goods.

INSTALLATION AND USE

LUBE INDUSTRIES s.r.l. shall not be held liable for incorrect or improper installation of the supplied product, whether manufactured by the company or by third parties, unless LUBE INDUSTRIES s.r.l. carries out the installation directly.

Moreover, LUBE INDUSTRIES s.r.l. shall not be held liable for the operation of household appliances and accessories manufactured by third parties that provide the relevant use and maintenance manual; the manual includes information on the Claims Office or Technical Assistance Centres of the third party manufacturer. Regarding improper and/or inadequate maintenance, or any improper and/or inadequate use of the products sold, LUBE INDUSTRIES s.r.l. transfers each and every liability and/or cost to the Customer or User.

CLAIMS

Any faults or defects must be reported to LUBE INDUSTRIES s.r.l. within the terms specified by the law. Payment may not be suspended, even in the event of notification of claims. The goods shall remain the property of LUBE INDUSTRIES s.r.l. unless fully paid by customer.

WARRANTY

Warranty on sold products in favour of the purchaser shall apply for the minimum duration specified case-by-case by the laws in force in the Customer's country.

RETURN OF GOODS

Return of sold goods is only accepted if expressly authorised by LUBE INDUSTRIES s.r.l.. Replacement or reimbursement of said goods shall be mutually defined only if the goods return is due to events imputable to LUBE INDUSTRIES s.r.l.. The returned goods must be delivered in perfect conditions and suitably packaged.

EXPENSES

For payments effected through bill of exchange or cash order, all additional collection expenses shall be charged.

DISPUTES

The Court of Macerata shall have sole jurisdiction for any disputes that may arise.

EFFECTIVENESS

For the sole fact of conferring the order, the Customer declares to be informed and accepts all the aforementioned sale conditions, unless otherwise expressly agreed on.

INFORMAZIONI TECNICHE

TECHNICAL INFORMATION

Le misure indicate nel presente listino sono espresse in cm.

Le profondità delle basi si intendono comprensive di top.

Le profondità dei pensili e delle colonne si intendono comprensive di ante.

Le altezze delle basi e delle colonne si intendono comprensive di zoccolo

Il verso degli elementi è individuato dalla posizione delle cerniere. Fanno eccezione solo l'angolo base e la colonna ad angolo dove il verso viene individuato dalla posizione dell'anta rispetto al mobile.

Per gli elementi con il verso, è stato inserito il codice con entrambi i versi (ad esempio una base da cm 45 cod. E4010451/2).

Sarà quindi necessario specificare se l'ultima cifra dovrà essere "1" per il verso destro cioè E4010451 oppure "2" per il verso sinistro cioè E4010452.

Per i lavelli il verso dx o sx è individuato dalla posizione delle vasche.

I prezzi indicati sono espressi all'unità di euro e sono IVA e contributo RAEE esclusi

I prezzi delle basi e delle colonne sono comprensivi dello zoccolo standard.

Per tutti i mobili fuori misura ha valore il listino riportato nella pagina maggiorazioni fuori misura.

Nel caso vengano richieste maniglie con passo diverso da quello previsto dal modello, le ante verranno fornite senza fori maniglia.

I colori delle immagini riportate nel presente listino sono solamente indicativi e non possono essere utilizzati come riferimento.

The measurements appearing in this price list are expressed in cm.

The depths of base units are inclusive of the worktop.

The depths of the wall units and columns are inclusive of the doors.

The heights of the base units and columns are inclusive of the plinth.

The direction of the elements is determined by the position of the hinges. The only exceptions are the corner base unit and corner column, where the direction is determined by the position of the door in relation to the cabinet.

For elements that come with a direction, the code includes both directions (e.g. 45 cm base unit - code E4010451/2).

It is therefore necessary to specify the last figure - "1" for the RH direction, i.e. E4010451, or "2" for the LH direction, i.e. E4010452.

The RH or LH direction of the sinks is determined by the position of the bowls.

The prices indicated are expressed in units of Euro and exclude VAT and the WEEE fee.

Prices of the base units and columns are inclusive of the standard plinth.

The prices that apply to all custom-sized cabinets are indicated on the page "Surcharges for custom-sized elements".

In the event of handles requested with a different centre-to-centre distance compared to the standard for the model, the doors will be supplied without pre-drilled holes for the handles.

The colours in the pictures appearing in this price list are purely indicative and should not be used as reference.

COMPOSIZIONI SENZA ELETTRODOMESTICI

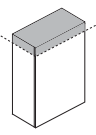

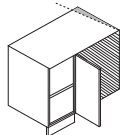

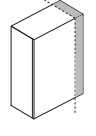

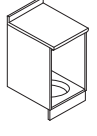

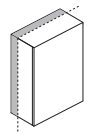

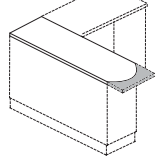

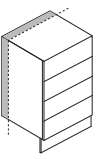

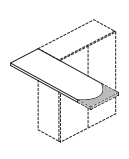

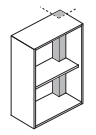

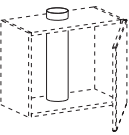

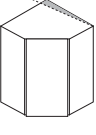

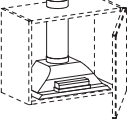

COMPOSITIONS WITHOUT HOUSEHOLD APPLIANCES

Tutte le composizioni richieste prive di elettrodomestici (frigo, forno, piano cottura, lavastoviglie o lavatrice), saranno aumentate di un importo netto pari a € 100 iva esclusa. Tale direttiva non si applica se la cucina contiene almeno due di questi elettrodomestici.

All compositions requested without household appliances (fridge, oven, cooker hob, dishwasher or washing machine) shall be subject to a price increase of € 100 VAT excluded. This measure does not apply if the kitchen contains at least two of the above-mentioned appliances.

| | | | | | + 90 € |

La maggiorazione è da applicare al prezzo dell'elemento di serie più grande rispetto a quello delle dimensioni richieste.

Negli elementi fuori misura per motivi di lavorazione, l'estetica può risultare inferiore agli elementi di serie.

The surcharge applies to the price of the standard element that is next largest to that of the requested size.

Due to the processing involved, the aesthetic level of custom-sized elements may be slightly inferior to that of standard elements.

TAVOLI FUORI MISURA IN LAMINATO

CUSTOM-SIZED LAMINATE TABLES

Nei tavoli con la struttura in alluminio non si eseguono fuori misura.

Tables with aluminium structure cannot be custom-made.

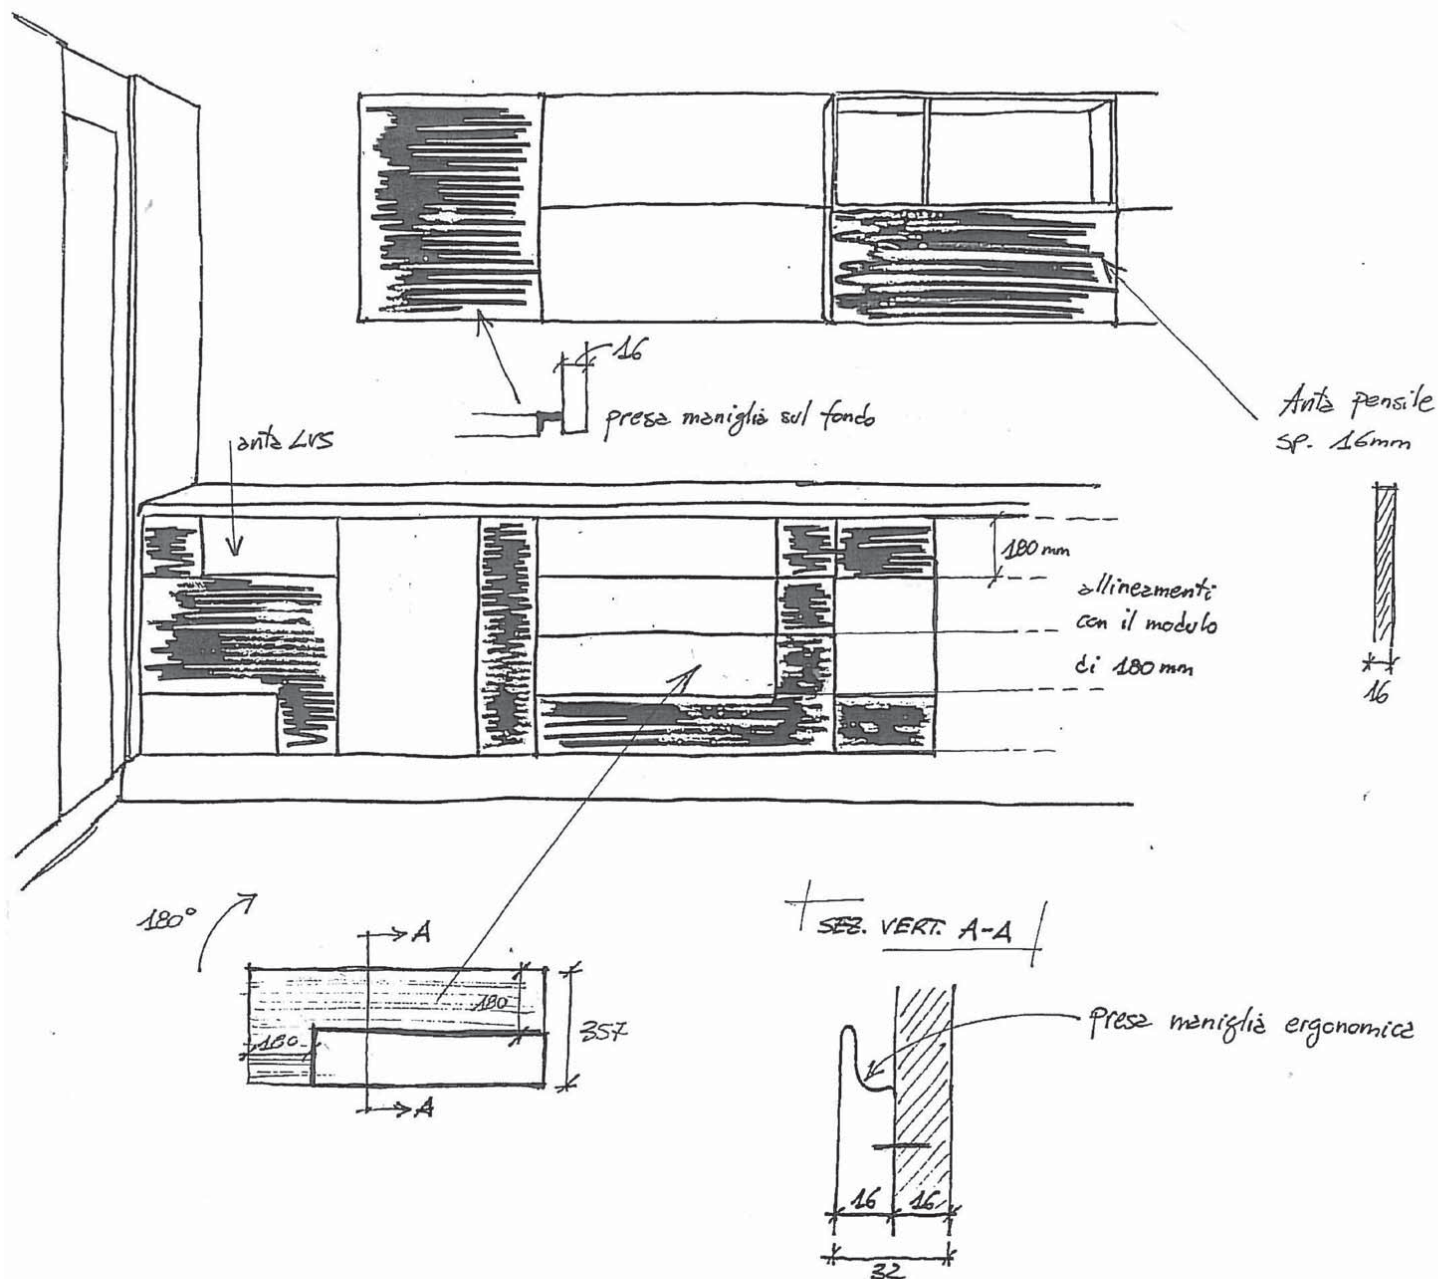

La **LUBE INDUSTRIES S.R.L.** si riserva di accettare o meno la realizzazione di fuori misura di notevole difficoltà tecnica, previo invio di un disegno e successiva autorizzazione del ns. ufficio tecnico. Il prezzo di tali fuori misura sarà stabilito di volta in volta. Si intende che gli elementi fuori misura realizzati su Vs. richiesta, non saranno oggetto di ritiro.

LUBE INDUSTRIES S.R.L. reserves the right to accept or decline processing of custom-sized elements that imply significant technical difficulties, subject to transmission of the drawing and subsequent authorisation by our Technical Dept. The price of these custom-sized elements shall be defined case-by-case. Any custom-sized elements manufactured on your request shall not be collected in the event of claims.

creativa®

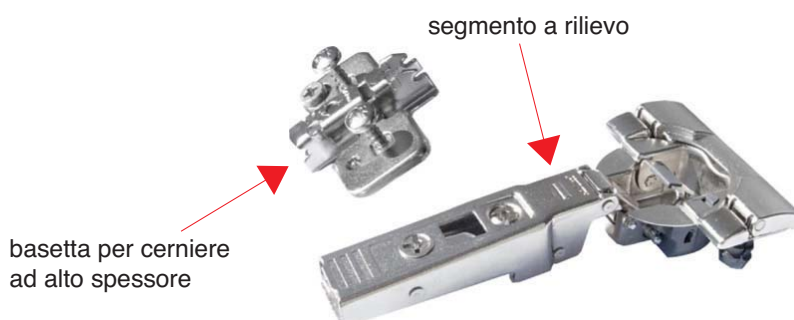

Con **CREATIVA®**, in **fase di progettazione** l'immagine complessiva della stessa composizione può essere personalizzata secondo il proprio gusto estetico seguendo semplici regole che rendono unica la tua cucina.

Come è composta l'anta

Tecnicamente le ante di **basi, cassetti, cestoni** e **colonne** sono realizzate assemblando un pannello sp.16 mm con un altro dello stesso spessore che diventa la maniglia stessa dell'anta. Per un totale quindi di 32 mm. Per questo motivo rispetto ad un tradizionale modello LUBE moderno, tutte le ante di **CREATIVA®** (fatta eccezione per le ante dei pensili), risultano più strette in larghezza di 2 mm.

E' stata studiata inoltre un' apposita cerniera con ammortizzatore integrato e basetta per alto spessore che si contraddistingue dalle altre per un piccolo segmento a rilievo posto sopra il corpo della cerniera stessa.

Tutti i moduli di **CREATIVA®** montano di serie questa nuova cerniera, ad eccezione dell'anta frigo, dei mobili ad angolo e delle ante dei pensili. L'anta **pensile** infatti, è semplicemente un pannello sp.16 mm esclusivamente con presa maniglia sul fondo.

Regole per una corretta progettazione

• **Ante basi e colonne con cerniere**

Ogni anta è stata studiata per garantire sempre un'apertura ergonomica. Ne esistono perciò diversi tipi pensati in funzione della tipologia del mobile e delle sue dimensioni.

Per quanto riguarda le basi la scelta di alcuni tipi di anta è vincolata, mentre per altri il Cliente può decidere secondo il proprio gusto estetico.

Il “disegno” di queste tipologie ha poi il verso DX-SX obbligato come è chiaramente illustrato nelle schede tecniche seguenti.

Le ante colonna invece, sono contraddistinte da un solo tipo necessario per consentire la corretta apertura.

• **Ante cassette e cestoni**

A differenza delle ante di basi e colonne, in **fase di progettazione** il singolo cassetto o cestone può assumere due differenti “versi” con una rotazione di 180°. In questo caso non esistono quindi tipologie di ante, ma si parla semplicemente di rotazione dell'anta stessa.

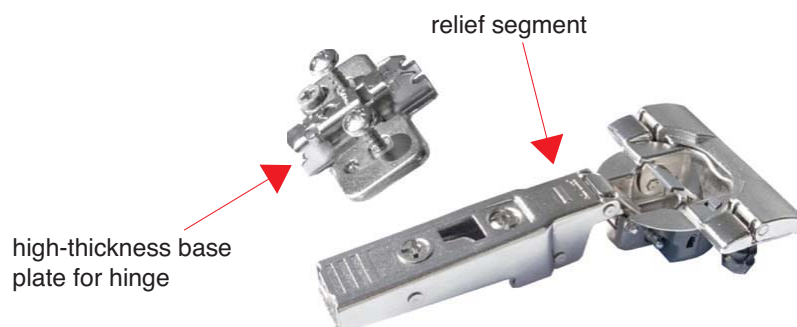

La scelta del “verso” diventa perciò un motivo puramente estetico che il Cliente può decidere senza alcun vincolo legato alle aperture.

With **CREATIVA®**, during the **design phase** the overall view of the same composition can be customised to suit personal tastes by observing a few basic rules that make your kitchen unique.

Composition of the doors

Technically speaking, the doors of **base units, drawers and deep drawers** are manufactured by assembling a 16 mm thick panel together with another panel of the same thickness which becomes the door handle. The final thickness is thus 32 mm.

As a result, compared to a traditional modern LUBE model, all the **CREATIVA®** doors (except for wall units doors) are smaller in width by 2 mm. Moreover, a special hinge was designed with incorporated shock-absorber and high-thickness base plate that, compared to other hinges, includes a small relief segment above the hinge body.

All **CREATIVA®** modules are equipped with this new hinge as a standard feature, except for the doors mounted on fridges, corner cabinets and wall units. The door **wall unit** basically consists of a 16 mm thick panel exclusively with the handle grip on the bottom.

Rules for correct design

• **Base unit and column doors with hinges**

Each door is designed to guarantee ergonomic opening.

As a result, several different types are available depending on the type of the cabinet and the latter's size.

With regard to base units, the choice of certain door types is binding, while for others, the Customer may select according to personal taste.

The “design” of these door types has a mandatory RH-LH direction, as clearly illustrated in the following technical sheets.

On the other hand, the column doors are distinguished by a single type necessary to ensure their correct opening.

• **Drawer and deep drawer doors**

Unlike base unit and column doors, during the design phase the single drawer or deep drawer can open in two different “directions” with 180° rotation.

In this case, therefore, the type of door is irrelevant: we speak about the door rotation instead.

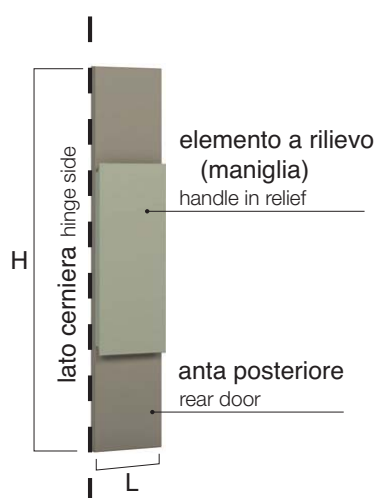

The Customer thus selects the door “direction” based on aesthetic considerations alone, without any constraints as to the door opening.

Il design del modello CREATIVA® è stato registrato e depositato. La tutela è garantita dal OHIM comunitario e applicata nei 27 Stati membri dell'Unione Europea.

The design registration for the CREATIVA® model has been granted by the OHIM and now applies in all of the 27 EU member states.

LUBE ECOLOGIC

IL GRUPPO LUBE HA SCELTO DI UTILIZZARE PER I COMPONENTI COSTITUENTI LE STRUTTURE DELLE CUCINE SOLO MATERIALE A BASSISSIMA EMISSIONE DI FORMALDEIDE: CONFORMI ALLO STANDARD F4STELLE SECONDO LA NORMA JIS, CERTIFICATO DAL MINISTERO GIAPPONESE, IL PIU' SEVERO IN MERITO ALLE NORMATIVE DI SALVAGUARDIA AMBIENTALE.

Regarding the production of its kitchen structure components, lube group has decided to only use materials featuring very low formaldehyde emissions complying with the 4-star standard, as defined by the jis regulation. This standard is certified by the japanese government-the most rigorous when it comes to environmental protection.

Grazie a SERVO-DRIVE basta una leggera pressione sul fronte con la mano o il gomito per aprire automaticamente le ante a ribalta.

Persino i frontali grandi e pesanti si aprono verso l'alto come in totale assenza di gravità. Inoltre, l'utilizzatore della cucina può godere di un accesso ottimale all'interno del mobile.

Thanks to SERVO-DRIVE, just apply light pressure to the front panel with the hand or elbow to automatically open the folding doors.

Even large front panels open upwards with a complete lack of gravity. In addition, the opening provides optimum access to the cabinet interior.

Chiusura comoda e semplice, assicurata dall'interruttore facilmente raggiungibile, montato sul fianco del corpo mobile.

Le chiusure delle ante a ribalta risulta così estremamente comoda ed ergonomica, mentre la rinomata funzione BLUMOTION garantisce una chiusura dolce e silenziosa.

Simple and convenient to close using an easy-to-reach switch fitted on the side of the cabinet.

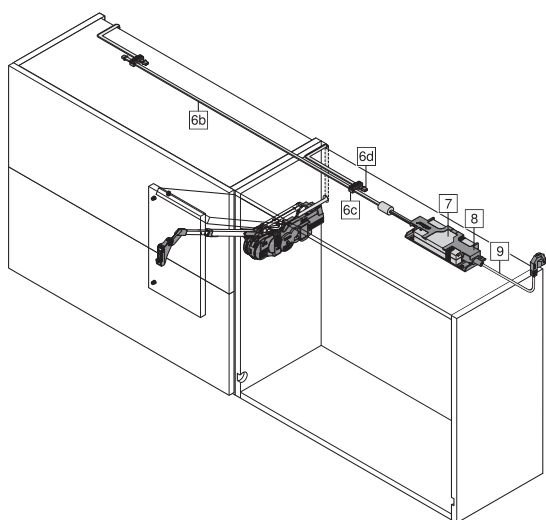

Closing the folding doors is so easy, convenient and ergonomic. The renowned BLUMOTION function also ensures gentle and silent closing.

WALL UNITS VERTICAL OPENING AND BLUMOTION CLOSING SYSTEM

APERTURA VERTICALE OBLIQUA

I pensili con questo tipo di meccanismo necessitano per l'apertura di poco spazio libero sopra il mobile grazie al movimento basculante dell'anta che si apre senza difficoltà applicando poca forza anche in presenza di frontali pesanti. Con l'arresto progressivo le ante si fermano in qualsiasi posizione; in questo modo la maniglia è sempre facilmente raggiungibile. La chiusura è ammortizzata ed è possibile regolare la forza di tenuta in base al peso del frontale.

VERTICAL OPENING OBLIQUE

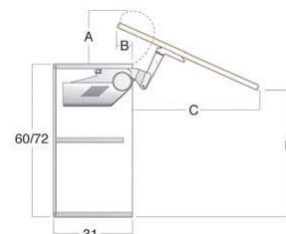

Wall units that mount this type of mechanism require little clearance above the cabinet thanks to the swivelling movement of the door that can be easily opened by applying slight pressure, even with heavy fronts. The doors stop in any position thanks to the gradual stopping movement; in this way, the handle is always easily accessible. The closing movement is cushioned and the closing force can be adjusted according to the weight of the front door.

APERTURA VERTICALE

L'anta ad apertura verticale, potendo essere sollevata completamente verso l'alto, consente un accesso totale all'interno del pensile. Ideale per l'impiego in mobili a colonna per nascondere ad esempio apparecchi elettrici, o pensili con corpi mobili sovrastanti, ha la chiusura ammortizzata e la possibilità di regolare la forza di tenuta in base al peso del frontale.

VERTICAL OPENING

Doors with vertical opening movement can be fully raised to fully access the inside of the wall unit.

Ideal for use on column units to conceal electrical appliances for examples, or on wall units surmounted by mobile units.

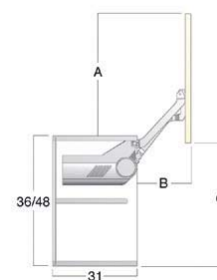

The closing movement is cushioned and the closing force can be adjusted according to the weight of the front door.

FLAP DOOR WALL UNITS BLUMOTION CLOSING SYSTEM

PENSILE CON APERTURA A RIBALTA

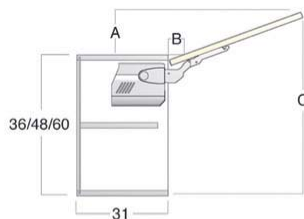

Le ante aprendosi verso l'alto consentono di avere un' ampia visione d'insieme all'interno del mobile. In questo modo è possibile un comodo accesso agli oggetti contenuti al suo interno e, dal punto di vista ergonomico, molto vantaggioso. La regolazione della forza di apertura può essere impostata in modo esatto in base al peso del frontale. Grazie all'arresto progressivo le ante si fermano in qualsiasi posizione; in questo modo la maniglia è sempre facilmente raggiungibile. La chiusura è ammortizzata e un'unica manovra è sufficiente per regolare il frontale tridimensionalmente grazie all'assenza di cerniere e al sistema di aggancio clip.

WALL UNIT WITH FLAP DOOR

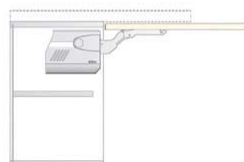

The doors that open upwards guarantee ample overall visibility inside the cabinet. In this way, all objects housed inside the cabinet can be comfortably accessed, making the system highly advantageous from an ergonomic perspective. The opening force can be adjusted precisely depending on the weight of the front. The doors stop in any position thanks to the gradual stopping movement; in this way, the handle is always easily accessible. The closing movement is cushioned and a single manoeuvre is required to three-dimensionally adjust the front, thanks to the clip-on system and the absence of hinges.

PENSILI A RIBALTA SENZA MANIGLIA APERTURA TIP-ON

FLAP DOOR WALL UNITS NO HANDLE TIP-ON OPENING

P 32,8

Grazie al meccanismo TIP-ON, le ante a ribalta senza maniglia possono essere aperte semplicemente con un leggero tocco. Per chiudere l'anta a ribalta, è sufficiente esercitare una leggera pressione, che grazie ad una piastrina di bloccaggio, applicata sul lato interno del frontale, ne assicura la perfetta chiusura.

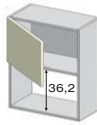

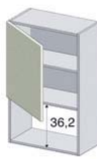

Thanks to TIP-ON mechanism, the flap doors without handles can be opened with a simple touch. To close the flap door, just exercise light pressure, locking plate, applied on the inner side of the front panel ensures a perfect closure.
